

Downloading ebooks to a Sony Reader

Step A. How to Check Out an EPUB or PDF e-book

Using your personal computer or laptop with an Internet connection:

1. Visit the **South Dakota Titles To Go** via our website www.cityofspearfish.com/library to find a book
2. Click **Add to Cart**
3. Click **Proceed to Checkout**
4. Sign in with **Library Card Number** and **PIN (this is your last name)**
5. Click **Confirm Check Out**
6. **My Bookshelf** will display with your book

Step B. How to Download to Your PC

This device has its own software called Reader. It does not use Adobe Digital Editions. Visit <http://ebookstore.sony.com/download/> to get Sony Reader software.

1. Download the eBook to your hard drive
2. Connect your Sony Digital Book Reader to your computer using the USB cord provided with your device
3. An icon will appear in a window on the device that will install Reader
4. Run this installer and when it is done, open the program
5. The window will pop up and show what is in the Library. Your EPUB file will be here.

Step C. How to Transfer from Your Computer to Your Sony Pocket Book Reader

1. Connect your Sony Pocket to your computer with the USB cable that came with your device
2. At this point, you should see the Library and what is in the list
3. Left click and drag the book from the right side to the left pane showing your Sony Pocket device
4. Click the Safely Remove Device option found in the lower, right corner
5. After the Safe to Remove Hardware message displays, unplug your Sony Pocket from your computer

Step D. How to Begin Reading on Your Sony Pocket Book Reader

1. When eBook has been downloaded and device disconnected from the computer, the eBook will be on the Home screen
2. Press on the icon of the eBook to begin reading
3. The downloaded book will remain in the Digital Editions folder on your Sony Reader.
4. Purchased items will show on the Books screen.

When the lending period expires, you will need to manually erase the e-book.
